

**S. 3757 – Congenital Heart Futures Reauthorization Act of 2024**  
**Section-by-Section**

**Section 1. Short Title.**

This Act may be cited as the “Congenital Heart Futures Reauthorization Act of 2024”.

**Section 2. National Congenital Heart Disease Research, Surveillance, and Awareness.**

This section reauthorizes the program and directs the Secretary of Health and Human Services to convene a workshop composed of subject matter experts on adult patients living with congenital heart disease. Additionally, it requires a report to Congress outlining the lifelong needs of congenital heart disease patients, related workforce shortages, and strategies for implementation recommendations.
