

S. 3775 - BOLD Infrastructure for Alzheimer's Reauthorization Act of 2024
Section-by-Section

Section 1. Short Title.

This Act may be cited as the “Building Our Largest Dementia Infrastructure for Alzheimer's Reauthorization Act of 2024” or the “BOLD Infrastructure for Alzheimer's Reauthorization Act of 2024.”

Section 2. Extension of Programs with Respect to Alzheimer’s Disease and Related Dementias.

This section reauthorizes and makes two modifications to the “Cooperative Agreements To States And Public Health Departments For Alzheimer’s Disease And Related Dementias” and the “Promotion Of Public Health Knowledge And Awareness Of Alzheimer’s Disease And Related Dementias” components. First, this section modifies program administration to be overseen by the Secretary acting through the Director of the Centers for Disease Control and Prevention, and in coordination with the heads of other agencies. Second, this section includes an additional requirement within the public health centers for excellence required activities aimed at bridging the gap between research findings and application in real-world settings. Furthermore, this section reauthorizes funding at current appropriated levels.
