(a) Grant Program.—

(1) In General.—The Secretary of Health and
Human Services (referred to in this section as the
“Secretary”), acting through the Director of the
Centers for Disease Control and Prevention, may
award grants or cooperative agreements to States,
territories, Indian Tribes and Tribal organizations
(as such terms are defined in section 4 of the Indian
Self-Determination and Education Assistance Act
(25 U.S.C. 5304)), and local governmental entities
for purposes of carrying out public health activities
to improve health outcomes by preventing or reduc-
ing adverse childhood experiences.

(2) Use of Funds.—Recipients of an award
under this subsection may use such award to—
(A) identify, implement, and evaluate evidence-based public health activities to prevent or reduce adverse childhood experiences and improve health outcomes;

(B) improve data collection and analysis regarding the prevention and reduction of adverse childhood experiences, including any such data described in section 7131 of the SUPPORT for Patients and Communities Act (42 U.S.C. 242t), to identify—

(i) any geographic areas or populations within the jurisdiction of the recipient of an award that have disproportionately high rates of adverse childhood experiences;

(ii) any types of adverse childhood experiences of high prevalence within such jurisdiction; and

(iii) any short-term health outcomes and long-term health outcomes associated with adverse childhood experiences, including mental health and substance use disorders; and

(C) leverage such data and analysis to inform the identification, implementation, and
evaluation of evidence-based public health activities under subparagraph (A).

(3) **PARTNERSHIPS.**—Recipients of an award under this subsection may identify opportunities to establish, or strengthen existing, partnerships with other relevant public and private entities within such jurisdiction for purposes of carrying out such award.

(4) **TECHNICAL ASSISTANCE.**—The Secretary may provide training and technical assistance to recipients of awards under this subsection.

(5) **EVALUATION.**—Not later than 2 years after the date of enactment of this Act, and annually thereafter, the Secretary shall report to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives on the specific activities supported through awards under this subsection, including the effectiveness of such activities in preventing or reducing adverse childhood experiences.

(b) **RESEARCH.**—The Secretary may, as appropriate, conduct research to evaluate public health activities to address adverse childhood experiences.
(c) Authorization of Appropriations.—To carry out this section, there is authorized to be appropriated $7,000,000 for each of fiscal years 2024 through 2028.

(a) REVIEW OF USE OF CERTAIN FUNDING.—Not later than 1 year after the date of enactment of this Act, the Secretary of Health and Human Services, acting through the Assistant Secretary for Mental Health and Substance Use, shall conduct a review of the use by States of funds made available under the Community Mental
Health Services Block Grant program under subpart I of part B of title XIX of the Public Health Service Act (42 U.S.C. 300x et seq.) for First Episode Psychosis activities. Such review shall consider the following:

(1) How the States use funds for evidence-based treatments and services, such as coordinated specialty care, according to the standard of care for individuals with early serious mental illness, including the comprehensiveness of such treatments to include all aspects of the recommended intervention.

(2) How State mental health departments coordinate with State Medicaid departments in the delivery of the treatments and services described in paragraph (1).

(3) The percentage of the State funding under the block grant program that is applied toward early serious mental illness and funding in excess of, or under, 10 percent of the amount of the grant, broken down by State.

(4) The percentage of funds expended by States through such block grant program specifically on First Episode Psychosis, to the extent such information is available.
(5) How many individuals are served by the expenditures described in paragraph (3) and (4), on a per-capita basis.

(6) How the funds are used to reach underserved populations, including rural populations and racial and ethnic minority populations.

(b) Report and Guidance.—

(1) Report.—Not later than 6 months after the completion of the review under subsection (a), the Secretary of Health and Human Services, acting through the Assistant Secretary for Mental Health and Substance Use, shall submit to the Committee on Appropriations, the Committee on Health, Education, Labor, and Pensions, and the Committee on Finance of the Senate and to the Committee on Appropriations and the Committee on Energy and Commerce of the House of Representatives a report on the findings made as a result of the review conducted under subsection (a). Such report shall include any recommendations with respect to any changes to the Community Mental Health Services Block Grant program under subpart I of part B of title XIX of the Public Health Service Act (42 U.S.C. 300x et seq.), including the set aside required for First Episode Psychosis, that would facili-
state improved outcomes for the targeted population involved.

(2) GUIDANCE.—Not later than 1 year after the date on which the report is submitted under paragraph (1), the Secretary of Health and Human Services, acting through the Assistant Secretary for Mental Health and Substance Use, shall update the guidance provided to States under the Community Mental Health Services Block Grant program based on the findings and recommendations of the report.

(c) ADDITIONAL GUIDANCE.—The Director of the National Institute of Mental Health shall coordinate with the Assistant Secretary for Mental Health and Substance Use in providing guidance to State grantees and provider subgrantees about research advances in the delivery of services for First Episode Psychosis under the Community Mental Health Services Block Grant program.

(d) GUIDANCE FOR STATES RELATING TO HEALTH CARE SERVICES AND INTERVENTIONS FOR INDIVIDUALS WITH SERIOUS MENTAL ILLNESS AND CHILDREN WITH SERIOUS EMOTIONAL DISTURBANCE.—Not later than 2 years after the date of enactment of this Act, the Assistant Secretary for Mental Health and Substance Use, jointly with the Administrator of the Centers for Medicare &
Medicaid Services and the Director of the National Institute of Mental Health—

(1) shall provide updated guidance to States concerning the manner in which Federal funding provided to States through programs administered by such agencies, including the Community Mental Health Services Block Grant program under subpart I of part B of title XIX of the Public Health Service Act (42 U.S.C. 300x et seq.), may be coordinated to provide evidence-based health care services such as coordinated specialty care to individuals with serious mental illness and serious emotional disturbance, and interventions for individuals with early serious mental illness, including First Episode Psychosis; and

(2) may streamline relevant State reporting requirements if such streamlining would result in making it easier for States to coordinate funding under the programs described in paragraph (1) to improve treatments for individuals with serious mental illness and serious emotional disturbance.
