“(II) the relevant successor documents or recommendations of such guidelines;

“(iii) use modern, relevant privacy- and security-enhancing technology, and enhance and update the data system as necessary to carry out the purpose of this subsection;

“(iv) ensure data privacy and security is consistent with any relevant Federal law relating to privacy or data security, including—

“(v) follow Federal data minimization practices to ensure only the minimum amount of data is collected to meet the system’s goals, in accordance with Federal data minimization standards and guide-
lines developed by the National Institute of Standards and Technology; and

“(vi) provide notice to students outlining the data included in the system and how the data are used.

“(2) DATA ELEMENTS.—
